

The Deeds to Do to Get the Virtues You Want

in *Lord of the Rings Online*

compiled by Singfast (aka Seshat, Thortar, Donder. JohnGalt)

The online LOTRO Lorebook lists the deeds you have to complete to rank up each of your virtues. But it presents the information in a way that isn't very handy for quick access. This document contains the same information arranged in a way that's easier to use while playing. A good way to use it is to decide which virtues you want to maximize based on the benefits they give you, then print out just the pages for those virtues. Check off the deeds you've completed and you'll readily see which deeds to work on next. The benefits imparted by each virtue are shown at the top of the page.
